DRIVER LICENSE OFFICE TO CLOSE TEMPORARILY

TAMPA-- The Tampa Driver Licenses Office, located at Hillsborough Avenue has been closed, effective today, for repairs and renovations.

For customers, there are several other Tampa office locations including a Tax Collector's office that can be used during the office closure. This includes:

14610 Livingston Avenue in North Tampa
10137 East Adamo Drive, Tampa
4100 West MLK Jr. Boulevard, Tampa
2814 East Hillsborough, Tampa
6283 W. Waters Avenue, Tampa (Tax Collector)

A list of offices by county can be found at: <http://www.hsmv.state.fl.us/offices/>

DHSMV reminds customers that they can avoid visiting an office altogether as many services can be done online at www.GoRenew.com. Here, customers can renew their driver licenses, identification cards, vehicle tags and change their addresses. A new "virtual office" has been implemented, making online transactions even easier. Customers who need to go to an office may schedule an appointment, which can be made online, using our Online Appointment Service and Information System, <http://oasis.hsmv.state.fl.us/>.
